

This formerly neglected home in the historic Ridge Street neighborhood has been transformed into an innovative energy demonstration house. Join us at the Open House to

see what changes were made inside and out and learn ways to achieve energy and water improvements in your home whatever the age or condition of the property.

YOU'RE INVITED
TO AN
Open House

COME SEE
THE
DIFFERENCE

ecoREM0D: The Energy House

THURSDAY, MAY 12

from 5 TO 7 P.M.

at 608 RIDGE STREET

Light refreshments & tours of the house will be provided.

ecoREM0D:

- Designed and funded by the City of Charlottesville and the University of Virginia
- Inspired by and now home to the Local Energy Alliance Program (LEAP)
- Supported by key local sponsors
- A resource for the community to learn about home health, comfort and energy savings
